CLIENTS SAY

James Kucera, Former Head of Mobile Development,
Bandai Namco America

“ Our mission is to go an extra mile to deliver high-quality products with WOW effects and ensure maximum satisfaction for our customers. We have more than 50 partners worldwide and our clients are among of the top 10 world digital entertainment publishers.

Amichai Naveh Marmor, Games Director, **Techona**

“ It was a pleasure working with Kevuru Games. They're very professional and understand the slot business very well. On top of that, they had good suggestions regarding the animations and art style, which we incorporated into our games. I will definitely work with them in the future.

Niko Mäkelä, Art Manager, **Housemarque**

“ We found Kevuru for animation via an extensive animation test comparing many vendors. Kevuru's work stood out with realism in all details. They kept it up since then doing most of character animations for Stormdivers summer 2018 release and the closed beta. Everything within a tight schedule.
